

University of Clermont Auvergne

Nestled in central France, **Clermont-Ferrand** is overshadowed by the dormant Puy de Dôme volcano and famed for Michelin's headquarters. The **University of Clermont Auvergne** fosters a research-driven approach across varied fields.

Attractions:

- **Clermont-Ferrand Cathedral:** Gothic architecture carved from volcanic rock.
- **Place de Jaude:** The city's main square buzzing with shops and cafés.

Traditional Foods:

- **Aligot:** Creamy mashed potatoes with melted cheese.
- **Truffade:** Potatoes and cheese dish from the Auvergne region.
